

## BLACKTHORN ASYLUM

By Nox Arcana

21 Tracks, with a total running time of 1:03:13 min.

With their 10th outing, Nox Arcana once again takes the listener on an audio journey, but this time it's through the darkened hallways of an old abandoned sanitarium, Blackthorn Asylum. All of the terror, the loneliness, and cries of madness that filled the walls while it was opened, continue to do so years after it was closed down. All one has to do is listen.

With their latest eerie soundscape, Nox Arcana hits many different levels throughout this release. We have the slow and melodic piano echoing through the darkened halls, but also have some more faster paced themes that fit different aspects of the unfortunate souls that were doomed to remain there. Each track gives us a small insight at some of the horrors that were experienced at this place, even if those experiences happened only in someone's mind. The terror is none the less...real.
